Peers Global Fempreneur

A Community. A Movement. A National Mission.

Why Peers Global Fempreneur?

Women entrepreneurs don't fail because of lack of talent.
They struggle because they often walk **alone**.

Lack of visibility.

Limited access to the right network.

No safe space to ask, share, grow, and lead.

Peers Global Fempreneur exists to change that.

It is a **women-first initiative** under the **Peers Global ecosystem**, created with one clear belief:

When women entrepreneurs rise together, families grow stronger, businesses scale faster, and the nation moves forward.

That's why Fempreneur is not just a membership.

It is a **tribe**, a **stage**, and a **support system** — designed *by women, for women*.

WHAT IS PEERS GLOBAL FEMPRENEUR?

Peers Global Fempreneur is a growing community of **collaborative women entrepreneurs and professionals**, built to inspire:

- Confidence
- Leadership
- Visibility
- Real business growth

Fempreneur® 2026

FEMPRENEUR LEADS VIKSIT BHARAT

Organised by:

It operates through:

- **City Chapters**
- **National & Global Initiatives**
- **Leadership Opportunities**
- **Recognition Platforms**

Fempreneur is an **initiative of Peers Global**, but it is **not structured like Peers Global circles**.

It has its **own culture, pace, and priorities**, keeping women's comfort, flexibility, and growth at the center.

Absolutely. Below is a **clean, formal, brochure-ready section** written in a **professional, institutional tone**.

It is designed to **build credibility, trust, and social-impact positioning** without sounding emotional or promotional.

You can place this section **as a standalone page or highlighted block** in the brochure.

Our Foundation & Social Impact

The 1 Million Entrepreneurs Mission

Fempreneur is a purpose-driven initiative founded under the vision of the **1 Million Entrepreneurs International Forum (NGO)** — a mission-led organization committed to empowering, enabling, and uplifting **one million entrepreneurs** globally.

The Forum works with a long-term objective to strengthen entrepreneurial ecosystems through:

- Leadership development
- Knowledge sharing and mentorship
- Visibility and recognition
- Collaboration-driven growth
- Sustainable nation-building through enterprise

Fempreneur represents the **women-focused pillar** of this mission, dedicated to creating inclusive, supportive, and growth-oriented platforms for women entrepreneurs and professionals.

Strategic Association with Peers Global

To ensure scalability, professional execution, and long-term sustainability, the **1 Million Entrepreneurs International Forum** is strategically associated with **Peers Global Business Media Private Limited (Peers Global)**.

Peers Global functions as the **ecosystem and execution partner**, providing:

- Infrastructure and operational support
- Media, communication, and visibility platforms
- Structured leadership and community frameworks
- National and global reach across entrepreneurial networks

This association enables Fempreneur to operate with consistency, quality, and reach — while remaining aligned with its original social-impact purpose.

A Purpose-First Initiative

It is important to clearly state that:

Fempreneur is not a profit-centric initiative.

It is a **mission-aligned social impact platform**, designed to empower women entrepreneurs through access, opportunity, and community.

Membership contributions are structured only to:

- Sustain chapter operations and coordination
- Enable events, leadership programs, and recognition platforms
- Maintain accessibility and affordability for women entrepreneurs

The intent is **impact over income, community over commerce, and long-term empowerment over short-term gains.**

- **Fempreneur's women-led community framework**

Fempreneur contributes meaningfully to India's broader vision of **Viksit Bharat@2047**, positioning women entrepreneurs as active leaders and partners in national development.

Fempreneur

A social impact initiative powered by purpose, enabled by ecosystem, and driven by women entrepreneurs.

A Special Commitment from Peers Global

Peers Global normally charges **₹18,000 per year** for its ecosystem.

But for Fempreneur...

- 👉 Membership was introduced at just a **2500 INR for lifetime fee** earlier
- 👉 From **1st March 2026**, Fempreneur membership will be **₹5,000 per year**

Why?

Because **empowering women entrepreneurs is not a revenue decision — it's a responsibility.**

Peers Global believes:

When women grow, the ecosystem grows.
